FROM THE DOM

Psalms 37: 3: *“Trust in the Lord, and do good; dwell in the land, and feed on His faithfulness.”*

In our Waccamaw Baptist Association quarterly meeting this month we'll have opportunity to vote on the selection of a new “Director of Missions.” I am most thankful for the commitment of our “Search Team” seeking God's will and direction in this task. They are to be commended for their hard work, and sincere desire to find God's man for such a time as this. Now it is our duty to trust that God will lead plainly in preparing for the future. Trust is necessary for a relationship with God. Trust is what our pastors and churches proclaim each week. Trust calls on us to take risk, to become vulnerable, and to be more dependent on God. Trusting God can be challenging in our high speed world of complex problems and continuing change. In all that is going on in the world today God calls on His people to simply trust. As we come to a time of change may we trust God more; even in those things we don't understand. Trust enables us to serve our Savior; stand for the truth of God's Word, and stay in the fight for the Kingdom of God. I am excited about all the WBA has done and continues to do through the untiring efforts of our loyal churches. Our work is not in remission, neither are we in submission to the world, but our commission is granted through Christ our King. The months and years

ahead will be punctuated with Kingdom growth, and opportunities to reach more people than ever for Christ. Our quarterly meeting is scheduled for the 20th of April, at Living Water Baptist Church.

CHURCHES: Just a reminder... Spring Time is here and many of our elderly church members may need assistance cleaning yard debris or light construction around their homes. The “Disaster Relief” Trailer is available for your Men's Fellowship to take on such projects. Please call the WBA office to schedule a time we can bring this equipment to your church for your men to inspect and become familiar with its use. Having the trailer on site during your Men's Fellowship meeting may increase interest and result in outreach to the community. We're ready to assist and support your ministry by bringing this equipment to your location or the project you pick. So call the WBA to book a date for the men of your church to view this valuable resource.

On May the 7th we have a great opportunity to come together as an association of churches to visibly demonstrate our commitment to prayer by supporting the “National Day of Prayer” event. We'll be at the Myrtle Beach Speedway beginning at 6:30 PM and the greater the turn of our churches the greater impact we'll have on the community around us. Please mark your calendar and plan to attend and pray.

COASTLINE WOMEN'S CENTER UPDATE

Nothing is more powerful than hearing a client's story from their own mouth. At our Spring to Life Gala one of our client's spoke these words, "My partner at first was supportive of me having the baby, but he soon became abusive and controlling and told me multiple times to just have an abortion. I can honestly say that calling Coastline Women's Center changed the course of my life. Walking into the center that first day and being greeted with hugs and acceptance by complete strangers was inspirational. On that first day I knew in my soul that I could handle having a baby and was determined that I was going to keep her." We are called to be the hands and feet of Jesus and show love and compassion to the least of these.
