## Waccamaw Baptist Association

### VOLUNTEER AT THE WBA SUNBURN UNIT

The Waccamaw Association is blessed to have a brand new Sunburn Unit at Surfside Beach. Many thanks go to Steve Hojnacki, the WBA Disaster relief Director, who worked tirelessly to get the unit ready for this summer season.

This is a ministry that has been going on for many years now. It is led by Martha Bullard, a member and WMU director at First Baptist Church in Surfside Beach. The unit is manned solely by volunteers from our area churches, who minister to tourists by handing out sunscreen, lip balm, water and the good news of Jesus Christ.

During the off season, the unit is stored at FBC Surfside.

There is currently a need for volunteers to serve from now through Labor Day. This is a great opportunity for folks who want to be on mission, but are not able to participate in a mission trip. It is also a great outreach opportunity for youth groups. If your church, women's or men's ministry

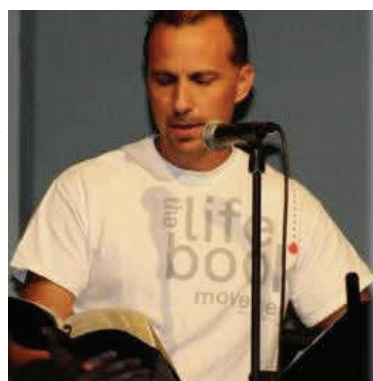

group or youth group is looking for an opportunity to serve, please call Martha Bullard at 843-995-1320 to sign up for a day and time. If you have any questions, you can call Martha at the above number or Diane at the WBA office.

### WBA WELCOMES DISCOVER CHURCH

At the WBA Summer Quarterly meeting, **Discover Church** was brought into the association under six months of watch care. The church is sponsored by Legacy Church, one of our member churches. The vision of Discover Church is to replicate the dis-

cipliship way of life through life groups and missions. John Schafer is the pastor of the church, which currently meets in Myrtle Beach.

Welcome to the Waccamaw Association, Discover Church! We are here to pray for you and support you.

## FROM YOUR DOM

*"So built we the wall; and all the wall was joined together unto the half thereof; for the people had a mind to work." (Nehemiah 4:6)*

The rebuilding of the walls in Jerusalem during Nehemiah's time ran into some stiff opposition. Daniel had prophesied that the walls would be built again *"even in troublous times"* (Daniel 9:25), and they surely were. As we begin to build a new legacy for WBA, we are in troublous times in our nation and our world, but our God is still on the throne and He is still sovereign.

In this verse we have a record of the building during troublous times. This building succeeded because: **There was persistency in the work.**

*"So built we the wall."* Too often when opposition comes, the resulting "so" is more like "so we quit." But Nehemiah and his fellow Jews did not quit working on the walls in Jerusalem when opposition raised its ugly head. They persisted in their work. One of the most effective ways to defeat the enemy is to keep doing God's work. Don't quit when ridicule or other opposition attacks. Keep going.

**There was progress in the work.** *"All the wall was joined together unto the half thereof."* During this time of opposition, the people succeeded in getting the wall completely joined together and halfway finished in its height. They made great progress in spite of the opposition. We can make progress even though difficulties abound. God is not weak but can help us in times of trouble as

well as good times (Psalm 46:1).

**There was passion for the work.** *"The people had a mind to work."* Having a mind to work was another of the important keys to the success of the people in building the wall. Having a mind to work will keep one working regardless of how difficult the task is or how great the opposition is.

Here at WBA we have a lot of work to do, if we are going to reach this county, country and this world, remember we can do it better together as an association. Let's continue here at WBA to be persistent, be progressive and be passionate about the work we have before us as we serve our Lord together.

## BAPTIST COLLEGIATE MINISTRY UPDATE

*Devote yourselves to prayer, being watchful and thankful.*

Colossians 4:2

In the next couple of weeks, thousands of students will return to our area and consequently our mission field grows exponentially. It is quite overwhelming until we pause and remember that God is faithful and we simply need to be obedient to His call. Part of that obedience includes devoting ourselves to prayer. Will you join us in this effort?

We have two opportunities for you to partner with us in prayer in the next few days. First, if you would

like to join the prayer by text team, simply pull out your cell phone and text the message **@prayer15** to the number **81010**. This will enroll you in the BCM text prayer team. Also, I would like to invite you to join us for a prayer walk of campus on Monday, August 3<sup>rd</sup> @ 6:30pm. We will meet at Lackey Chapel on the campus of CCU, and the prayer walk is open to all interested.

Also, in an effort to meet the needs of some of our international students, we are in the process of collecting some items so we can minister to students in the US for the first time. We are looking for items such

as bedding (full size), pillows, kitchen supplies (plates, utensils, cups), clothes hangers, sunscreen, and other necessary supplies. If you would like a full list, please contact David or Diane at the WBA. Please have all supplies to the WBA by Thursday, August 6<sup>th</sup>. We believe the Gospel changes lives, and we are excited to see that happen this year among college students! Thank you for your partnership! Praying alongside you for college students,

## COASTLINE WOMEN'S CENTER UPDATE

Greetings Association!

We have so much to praise the Lord about this month. God has given us a Medical Director which means we are one step closer to providing ultrasound! God is continuing to provide abundantly for our clients. We also hosted a training and gained seven new volunteers! Greater news we arranged for a client to have an ultrasound out in the community. She was

very abortion minded. During the ultrasound the baby held its little hand up and waved...as if saying, mommy I'm here. We believe after seeing the image she will carry the child. Again this shines light on the importance of Ultrasound. Thank God for this tool to see His miracles within the womb. Please pray for this mother and child because the enemy is ever present as we have seen even in the recent news

of planned parenthood harvesting precious baby body parts for profit. Now more than ever we need to take a stand in defense of the little ones. We will continue to serve with all our energy in this cause and fight this battle until Christ returns! which I believe is going to be very soon.

God Bless you for your support and prayers!
